

# Member Company Spotlight

## Sierra Lobo, Inc.

**Size Standard** SLI is a Small Disadvantaged Business - NAICS Code 541712 - Approx. 700 Employees

**Corporate Description** Engineering Services, Test & Evaluation, Research & Development, Engineered Systems

**Organizations we support at Goddard** We support Codes 4xx, 5xx, 8xx and 803 at WFF

### Goddard Contracts

### Capabilities

Environmental Test and Integration Services II (ETIS II)

Provide Engineering and Technician Test and Integration Support Services

### Other NASA Center / HQ Contracts

### Capabilities

(GRC) Test Facility Ops, Maintenance, Engineering (TFOME II)

Conduct T&E/R&D for space, aircraft, sensors, propulsion, matls support

(LaRC) Center Maintenance, Operations, and Eng (CMOE)

Test and Evaluation, IT services, and Engineering

(ARC) Aerospace Test Operations and Maintenance (ATOM)

Arc Jet facilities & ballistic gun ranges, TPS Systems for Spacecraft & R&D

(KSC) Engineering Services Contract (ESC)

Provides engineering products and services for KSC

(JPL) Multi-Division Eng, Design, Analysis, Lab Sup (MEDALS)

Perform tasks in support of non-flight & flight areas of engineering, technology develop, hardware develop, test develop & operations support

**Capabilities in Other Markets that could benefit Goddard's Mission**

Space Test Facilities Commercialization Plan for Space Simulation Testing, Mechanical Integration, Electromagnetic (EMI) Testing, and Structural Dynamics Testing
